## St.Austell Running Club AGM Minutes

19:00. Tuesday 6<sup>th</sup> November 2018

Firstly, after feedback, I will keep this as short as possible! Pasties are waiting!

I am going to start with Sunday! This sums up STARC in a nutshell, even Papa STARC was emotional. 50 Starcies running the Cornish Marathon, 2<sup>nd</sup>, 3<sup>rd</sup> all the way to 630<sup>th</sup>, prizes galore, first timers to seasonal veterans. And not forgetting the phenomenal support, you guys were absolutely amazing. And what makes STARC so special, no matter what you did, you got an equal share of the cake! That's the STARC WAY! That's what makes STARC so special.

I was delighted last year to receive the award for 'most participants in the Cornish GP' what an achievement and I am delighted to say that where last year we pipped Hayle to the award, this year we have absolutely smashed it! This was not an accident, this was down to the strategy of the Captains and Committee 6 years ago who put in Championships and regular time trials to promote racing. Well done and thank you to everyone involved.

Talking about The Committee, on behalf of our club and myself, I would like to thank each and everyone of you for your dedication and personal support throughout the year – **a round of applause**

I would just like recognise a special person, someone who dedication and hard work will be severely missed, although we still have his number, **Ladies and gentlemen could you please stand and show your appreciation, and could I ask Goff to come forward please.**

**This seems a great time to call the AGM to a close, thank you to everyone for attending and I look forward to another great year for STARC.**
