All meetings at Tuesday 20.15h unless held by zoom in which case they will be the following day – Wednesday at 19.00h.

Meeting concluded at 19:55.

Criteria for mileage to count towards STARC club stars.

To count either:

The run should be UKA licenced, or by another approved body.

The run appears on Power of 10 or runbritain.

It is a registered parkrun.

It is part of the Cornish GP, MTRS, DAN series.

For virtual runs to count:

They too should be licenced events (by the UKA or other body)

They should be part of a recognised 'event' and the event should take the same format as the original event and be done in one session. e.g. a marathon should take place as one session, as did the 2020 London Marathon, and not over a number of days or sessions.

Results should also be verified on an external website to prove ratification by the organising body.

If a virtual event is submitted for consideration, the above criteria will be considered but it would not be guaranteed to count towards the 'star' total.
