9. Run/Walk Group update

All good with Run/Walk Spring going well, will be getting ready to start the Summer tour

10. Leaders, Training and Coaching, Training leaders Doug

3 new people interested for the October cohort of leaders

Some people still to do structured sessions, Rota much easier with more leaders, they are enjoying it

11. Club Races,

Gribbin, parking was an issue but ideas to help with this next time, avoid half term, proper carpark attendant, maybe not collect money at the carpark, maybe at entry when collecting numbers, this is to be discussed for next year. A donation of £50 to each of the farmers for use of carpark, all good discussion points for the next one

12. Website

Stats 500 hits a month on website, January and skyline 1500 hits, so people do view the site

13. Social

BBQ 26th July, Mike has agreed to do the BBQ & costs £300, rounders, games and kit swap

Any Other Business

A good suggestion to start a hardship fund for people that perhaps cannot afford the membership fee, this is to be based on certain criteria and to be confidential, more needs to be gathered on this and then this perhaps can be implemented
